

Mechanic

Mondelēz International, Inc. empowers people to snack right in over 150 countries around the world. We're leading the future of snacking with iconic brands such as Oreo, belVita and LU biscuits; Cadbury Dairy Milk, Milka and Toblerone chocolate; Sour Patch Kids candy and Trident gum. Our 80,000+ colleagues around the world are key to the success of our business. **Great people** and **great brands**. That's who we are.

Join us on our mission to continue leading the future of snacking around the world by offering the **right snack**, for the **right moment**, made the **right way**. It's time for you to Make It with Mondelēz International.

With more than nearly 100,000 employees around the world, we need to make our size work for us. Your human resources skills can help make that happen. You'll partner with business units to create growth opportunities for our talent, building the right enterprise capabilities and, ultimately, a culture that enables us to be competitive ... and also fun.

Manufacturing

As part of Manufacturing, you'll use your skills, our systems and a wide array of raw materials to help create the delicious finished products our consumers love. While taking ownership in your area of work, you'll also ensure the safety of yourself and your colleagues while producing our top-quality products reliably and efficiently within our integrated supply chain.

Job Scope
