

MAINTENANCE ELECTRICIAN – Mondelēz , International

Portland, Oregon APPLY: <https://tinyurl.com/23p3s3nt>

Job Description

Are You Ready to Make It Happen at Mondelēz International?

Join our Mission to Lead the Future of Snacking. Make It With Pride.

As part of Manufacturing, you'll use your skills, our systems and a wide array of raw materials to help create the delicious finished products our consumers love. While taking ownership in your area of work, you'll also ensure the safety of yourself and your colleagues while producing our top-quality products reliably and efficiently within our integrated supply chain.

Purpose of Role

The Maintenance Electrician will ensure the efficient and reliable operation of high speed processing and packaging equipment. This includes troubleshooting, analyzing root causes, testing, installing and conducting all electrical repairs and preventative maintenance.

How you will contribute:

- Diagnose and repair production equipment in an industrial manufacturing environment
- Repair, maintain, and upgrade electrical equipment
- Read and understand wiring schematics
- Perform PLC troubleshooting and programming
- Experience using test equipment to troubleshoot electrical issues (Multimeter, megger, themography, etc.)
- Knowledge of industrial 3 phase equipment, controls, VFD drives, PLC and control devices (e.g. Allen Bradley, ABB, and Foxboro)
- Must be able to troubleshoot and repair up to 480V equipment
- Perform calibration of 4-20 mA instruments and other low voltage systems.
- Ensures conformance with all Safety, GMP's, health code regulations, NEC, NFPA standards and Food Safety Policies

Required

- High School Diploma or general education degree (GED)
- Completed an approved Apprenticeship or Training
- At least 4 years manufacturing experience
- Ability to work any shift (1st, 2nd, 3rd), weekends, and holidays as required
- Ability to work well in a team-based environment with limited supervision
- Ability to problem solve and help with practical solutions
- Oregon Electricians License – or ability to readily obtain Oregon Electricians License.

Preferred

- Able to learn and apply Continuous Improvement tools (Lean, Six Sigma, etc..)
- Experience with high speed packaging lines and production equipment in food processing, chemical, or pharmaceutical industries
- Familiar with SAP - PM

Business Unit Summary

The United States is the largest market in the Mondelēz International family with a significant employee and manufacturing footprint. Here, we produce our well-loved household favorites to provide our consumers with the right snack, at the right moment, made the right way. We have corporate offices, sales, manufacturing and distribution locations throughout the U.S. to ensure our iconic brands—including *Oreo* and *Chips Ahoy!* cookies, *Ritz*, *Wheat Thins* and *Triscuit* crackers, and *Swedish Fish* and *Sour Patch Kids* confectionery products—are close at hand for our consumers across the country.
