

MAINTENANCE MECHANIC – Mondelēz , International

Portland, Oregon APPLY: <https://tinyurl.com/jpheyd63>

Job Description

Are You Ready to Make It Happen at Mondelēz International?

Join our Mission to Lead the Future of Snacking. Make It With Pride.

As part of Manufacturing, you'll use your skills, our systems and a wide array of raw materials to help create the delicious finished products our consumers love. While taking ownership in your area of work, you'll also ensure the safety of yourself and your colleagues while producing our top-quality products reliably and efficiently within our integrated supply chain.

Purpose of the role

Perform preventive maintenance on plant equipment to keep in good running order. Troubleshoot problems, recommend and perform mechanical repairs to minimize downtime.

Work collaboratively with Operations Team to share knowledge and contribute to a Continuous Improvement environment.

How you will contribute

- Utilize mechanical ability and knowledge to repair, replace defective parts and equipment.
- Ability to read and interpret drawings, blueprints or sketches.
- Working knowledge to include (but not restricted to) pumps, hydraulics, pneumatics, drives, machining of parts, some electrical knowledge, hand tool usage, and welding.
- Must be qualified to operate forklifts, manlifts, ladders and scaffolds.
- Work effectively with electrical, boiler room, and/ or operations personnel when needed.
- Participate in groups or teams to enhance the reliability and productivity of equipment and processes.
- Report all work through a computerized maintenance system (SAP).
- Assist enhancements to computerized maintenance system.
- Work efficiently and effectively with minimal supervision in a team environment.
- Knowledge and complete usage of Lock out tag out, hot work permits, confined space permits.
- Protect the company's investment in machinery and equipment by exercising proper care, skill and knowledge in the use of Company investments.
- Support and participate in business initiatives ie. HACCP, QCMS, etc.

Required

- High School Diploma or general education degree (GED)
- Served and satisfactorily completed an approved Apprenticeship or Training
- At least 2 years manufacturing experience
- Ability to work any shift, weekends, and holidays as required
- Ability to work well in a team-based environment with limited supervision
- Able to learn and apply Continuous Improvement tools (IL6S)
- Capable of working effectively as part of a High-Performance Team
- Ability to problem solve and help with practical solutions

The following physical demands are examples of duties that may be performed:

- Climb steps
- Lift 50 pounds and maintain balance
- Ability to perform duties in extreme varying temperatures
- Crawl over, under and into equipment as necessary to perform job duties
- Work from ladders and lifts

Business Unit Summary

The United States is the largest market in the Mondelēz International family with a significant employee and manufacturing footprint. Here, we produce our well-loved household favorites to provide our consumers with the right snack, at the right moment, made the right way. We have corporate offices, sales, manufacturing and distribution locations throughout the U.S. to ensure our iconic brands—including *Oreo* and *Chips Ahoy!* cookies, *Ritz*, *Wheat Thins* and *Triscuit* crackers, and *Swedish Fish* and *Sour Patch Kids* confectionery products—are close at hand for our consumers across the country.
