**CONGRATULATIONS TO BRIAN SHERMAN!!**

**YOU HAVE BEEN SELECTED AS ONE OF WEYERHAEUSER'S VOLUNTEER OF YEAR AWARD FOR 2018.**

You were chosen because of your dedication in service to our local youth in your community.

(background for those cc'd)

Brian is involved with his local [Sea Scouts chapter](#).

In fact he was instrumental in launching the chapter in the Pacific County area two years ago. Sea Scouts learn Mariner activities, boating safety, seamanship, teamwork, social and leadership skills. This chapter has now 35 students from the Raymond and South Bend area, and students meet twice monthly splitting time between the classroom and the water.

Your commitment to serve our local youth, truly serves as an inspiration for all employees and embodies our value of great commitment to community .

Your nominator stated, "Brian and his team of students and volunteers are unsung leaders in our community."

As a recipient of this award, you will receive a \$5,000 WAVES GRANT AWARD to your local Sea Scouting chapter and we will also feature your story on ROOTS.

For those of you that work alongside Brian, please help us spread this good news throughout your Weyerhaeuser community.

Thank you for your community service and for your leadership Brian.
