

Take the first step toward job security, higher wages, better benefits and dignity. Please print this form (if online), complete, sign and return it.

You are a highly trained and valuable employee. With the IAM, you can optimize your market value. With the IAM, You can leverage your talents by joining together with your co-workers to secure your job, improve your wages and benefits and gain a voice at work. Thousands of employees have already joined the IAM and made their lives better. Here are some reasons they joined the IAM and you should, too.

Job Security

You are presently an "employee at will" which simply means the boss can let you go at any time. IAM collective bargaining agreements contain protections from layoffs and unwarranted discipline or discharge. If something unexpected happens, the IAM is there to represent you and ensure that you get your "day in court" before an impartial arbitrator.

Higher Wages & Better Benefits

With the IAM on your side, you will bargain your wages and benefits. You'll have the support of one of the oldest and most successful unions in American history with the full backing of our professional staff and our substantial resources.

I, the undersigned, an employee of _____ hereby authorize the International Association of Machinists and Aerospace Workers (IAM) to act as my collective bargaining agent with the employer for better terms and conditions of employment.

Your Voice at Work

As an IAM member, you will have a written legal document on your side that spells out how you should be treated on the job: your collective bargaining agreement. This document will elevate you to an equal footing with your employer and ensure you are treated fairly and your voice is heard.

More Information

Go to www.goiam.org or call toll-free 1-(800) 452-5738. You can also visit the District W24 website at www.iamw24.org or email will@iamw24.org.

To Fold and Mail This Card:

- Since January 5, 2013, a folded self-mailer must be folded like this:
1. First fold should be in your right hand
 2. Final fold needs to have the bottom folded up so that the sealing is at the top
 3. Sealing must be 1-inch from each edge with 1-inch tabs; non-perforated (not 3/4 inch tape)
